

# TICKET HOSTING

Say goodbye to the complications of ticketing. At The Creative Wire, we offer a convenient ticketing system that allows you to generate and sell tickets hassle-free. Whether it's a physical event or a digital production, our platform accommodates various ticket types.

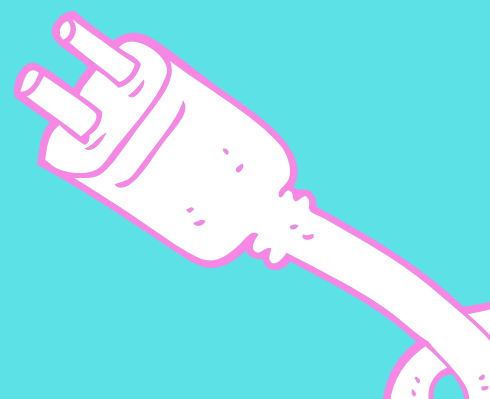

# WHY CHOOSE THE WIRE?

**NO CONTRACT, NO  
STRESS.**

Our dedicated team will help as much as possible to make your event/show sell out for one affordable booking fee. Gain access to a range of promotional features designed to support your show. Plus, unlike other hosting services, it's our incentive to promote your show and sell as many tickets as possible. The booking fee fuels our mission to spotlight upcoming creatives.

Your booking fee fuels our efforts to support and promote the next wave of creatives. The proceeds we generate are reinvested directly into the creative community, supporting the development of fresh projects, hosting mixer events, and organising scheduled workshops, all of which benefit the growth within the arts.

# WHO WE ARE...

The logo for 'The Creative Wire' is positioned in the top right corner. It features the word 'The' in a small, white, cursive font above the word 'Creative', which is in a large, white, bubbly, rounded font. Below 'Creative' is the word 'Wire' in the same bubbly font. A white cord with a three-prong electrical plug extends from the end of 'Wire'. The entire logo is set against a teal background.

Creative wire, is A brand new platform for creatives which gives grass roots creatives here in the northwest a platform that promotes new work for free, and connects all creatives through the amazing features that we provide and our amazing networking event called the mix-up, Which connects all creatives with a night to remember!

We know how important it is for any creative to get an audience to come to your event. This is where the creative wire comes in so that you can concentrate your time on perfecting your show or project instead of worrying about the promotional side. Our aim at Creative Wire is to be the helping hand you need to attract an audience to your event.

# WHAT WE OFFER...

Our team of writers and contributors works tirelessly to bring exclusive and captivating features on a wide range of creative individuals and their projects. From interviews with visionary artists to in-depth articles on emerging trends, we aim to keep you informed and inspired.

Each week, we showcase the incredible work of talented artists, spotlighting their unique creations, and sharing their creative journey. We can share your journey from start to finish. what ticket hosting service offers that?

# AND THERE'S MORE...

Explore our advertising options across our trio of podcast shows, each of which includes ticketed events. Additionally, for a nominal fee, we extend the offer of a digital programme tailored to your show, along with an exclusive post-show Q&A session featuring our hosts.

Reach out to us for a personalised quote. We're committed to ensuring your show or event leaves a lasting impression, and we're eager to play a meaningful role in your journey to the stage.

# ALL THIS SUPPORT FOR...

For a mere 6% along with a 20p administration fee, you have the flexibility to either include the booking fee in the ticket price or pass it on to your customers.

What sets us apart from other ticket-hosting services is our genuine commitment to ensuring your show's success. To be frank, our compensation hinges on ticket sales. Your booking fee directly supports us, allowing us to continue doing what we're passionate about—spotlighting creative individuals like yourself!
